Continuation of Substance of Interview including description of the general nature of what was discussed:

On February 14, 2008, Examiner initiated a telephonic interview with Applicant's Representative (Attorney Vadim Vapnyar) to discuss Examiner's Amendments. Examiner pointed out that there are some minor errors such as "filesystem" in claim 58 line 2 and "the first root directory including once the first root directory is accessed" in claim 58 lines 24-25. Additionally, Examiner advised Applicant's Representative to cancel claims 101-108, which were newly added, because said claims recite the same subject matter as claims 58 and 80. Applicant's Representative agreed to authorize the Examiner to correct said minor errors and similar minor errors and cancel claims 101-108.
